Customer starts with:
Hi hey

Conversation steps

1Welcome, how can I assist you?
↓ Continue to next step

2Enter your name
↓ Continue to next step

3Enter your email
↓ Continue to next step

New step +

Customer starts with:

Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has.

The more phrases you enter, the better your assistant can recognize what the customer wants.

Enter phrases your customer might use to start this action Total: 1

Enter a phrase

Hi hey

Preview

Greet customer [default]

Welcome, how can I assist you?
